

*Celebrate light.....*

*Energy Efficiency While Restoring The Original Look Of Your Window.....*

## e<sub>n</sub>hance Comfort

*Ecodrive privacy-enhancing films are all about no compromise. No compromising on natural light.*

*No compromising on comfort.....Or beauty....Or privacy. Our films are a shift from the usual paradigm. No longer does having privacy in your home mean dark windows and dingy spaces. Our attractive frosted films diffuse light without appreciably cutting down on ambient light. They also filter out harmful UV rays and heat, thus adding to the comfort of any space. Whether you require our films for your sea-facing bungalow, farmhouse, penthouse, solarium, bathroom or entry-doorway, Ecodrive films are ideal for any environment or space that requires day or night privacy, without compromising on light.*

# R

## educe Heat

*Our solar-control window films, applied to the interior of your windows, are a transparent "solar shield" that can reject up to 74% of the sun's heat. In the summers, this means a cooler and more comfortable office or home space, which also conserves on energy and lowers your electricity bills. Our high-clarity films are available with a scratch-resistant coating and in a variety of elegant tints like bronze and gray, or in neutral tones that appear virtually invisible on your windows.*

*Energy Efficiency While Restoring*

*The Original*

*Look Of Your Window.....*

# *Ecodrive solar-control window films*

*Can be customized to fit in with any environment*

*Come in a range of attractive patterns, designs and tints*

*Offer high-clarity solar-protection (Especially useful for cars)*

*Enhance privacy without sacrificing natural light*

*Are easy to install and cost-effective*

*Reduce harmful UV rays by 99%*

*Reduce fading of office furniture by 99%*

*Promote energy conservation and are a green product*

*Assist in controlling temperature imbalances (Reject up to 74% of the sun's heat)*

*Help lower electricity peak-load, thereby reducing the total electrical bill*

Control a room's temperature  
and privacy, without sacrificing  
light

## *Pearl Silver*

	Visible Light Transmission	70%
	Visible Light Reflection	8%
	Ultraviolet Rejection	99%
	Infra Red Rejection	45%
	Total Solar Energy Rejection	38%

Shading coefficient	0.00
U-Value (Summer)	0.00
Solar Heatgain Coefficient	0.00

## *Specification Details*

- ★ Available Width : 60 inch
- ★ Warranty Period : 5 years
- ★ EDVN : ES-01

Control a room's temperature  
and privacy, without sacrificing  
light
