

# LIVE ECO

Live To be different | Live For Change | Live Eco

# What we do...

- Design exclusive vegan products through recycle & up cycle methods
- Conduct eco camps to spread green awareness
- Convert waste into useful products to protect wild life and nature
- Experimenting various media to achieve sustainable innovation

Live3co: Is a sustainable collection brand produced in a green, circular and/or 100% FairChain way. It's new, hip, innovative and... most of all, green! The Live3co label is made up of gifts with a real-life story of change from people who want to make a difference. We offer a collection of products that are not only unique and innovative but also sustainable.

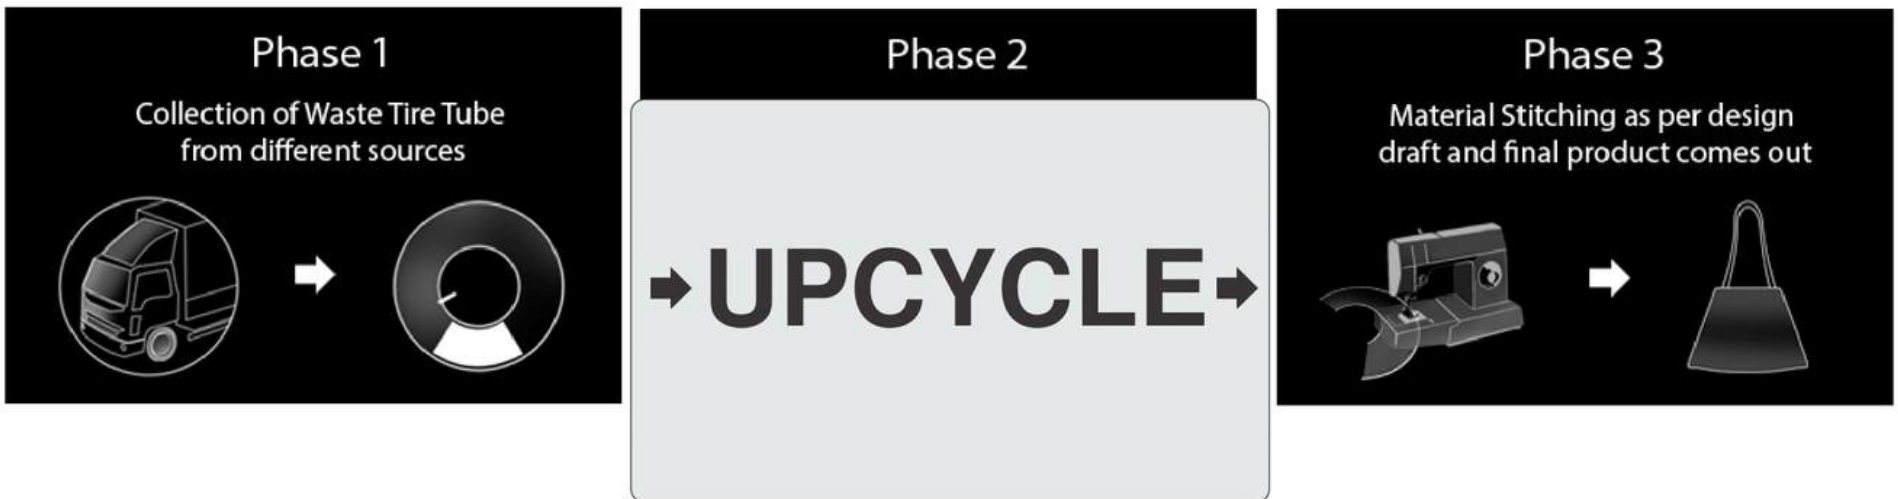

A special product for a special moment. The Live3co collection will continuously add new brands telling new stories, with the ultimate aim of shifting the electronics device protections market as a whole towards more sustainably produced products.

# Why people love products !

- Elegant design and export quality
- Highly Durable with long life
- Water Resistant
- Amazing texture and individual beauty (Every single bag looks different)
- 100 % Vegan and Ecofriendly
- Saving wildlife
- Reducing carbon foot print.
- Absolutely unique
- Creating employment opportunities

# The Process...

# Our Mission...

To reduce carbon footprint across the planet earth  
and protect wildlife and nature

## Our Products...

LiveECO products are well designed with passion, love and style. Each and every product is hand crafted with utmost detail and easy to use.

Our range of products bring integrity with higher environmental values focusing on the quality.

Texture plays a big role in our product styling and brings new identity of every individual design.
