

## Natural Floor Cleaner

Neutral Floor Cleaner is an eco safe, bio-degradable concentrate that cleans floors without dulling the finish - no rinsing necessary. GreenEarth Neutral Floor Cleaner has a neutral pH that is designed to dry without streaking. No rinsing is necessary after use and can be used on all types of flooring that is not harmed by water. Use Neutral Floor Cleaner on waxed floors without concern for dulling the finish. Deodorizes as it cleans with a fresh spice fragrance. **Environmental Choice Certified plus AsureQuality and NZFSA approved C32**

## Product Details & Use

Formulated to be diluted with cold water (as per Environmental Choice certification) as follows:-

30 to 60 parts water to one part Floor Cleaner

### Directions for Use

Normally used with bucket and mop, however for small areas a trigger spray pack is often used.

New Zealand Food Safety Authority C32 approved for all food areas except where food is being consumed. For all food areas please use our Glass & Surface Cleaner which is NZFSAC31 approved as it has no fragrance.

Available in:- 5 & 20 litre concentrates. 750mls spray bottles supplied empty.
